# Crescent Desking

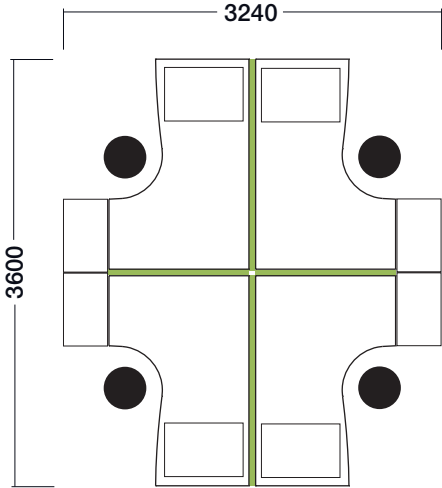

Crescent desking creates the traditional layout of many modern offices. Our sculptured desk top provides ergonomics for the user, coupled with dividing privacy screens and pedestals. This traditional layout enables the number of desks to be increase or decreased as the business changes.

<b>MPP2DLH</b>	(N.B. The Carcass Hangs Below The Modesty Panel By 80mm) Single Sided Mobile Under Desk Personal Pedestal & Storage Unit	Ash MFC

Accessories

Wire Management Tray (A)

A simple way of carrying horizontal cables across singular and multiple runs of desking.

Our optional wire management tray can be retrofitted to new or existing Flexi desking.

The tray provides a platform for our 2,3 and 4 gang socket modules and weiland cabling, bringing power and data to desktop level through the desktop cable ports.

Flexi Cable Riser (B)

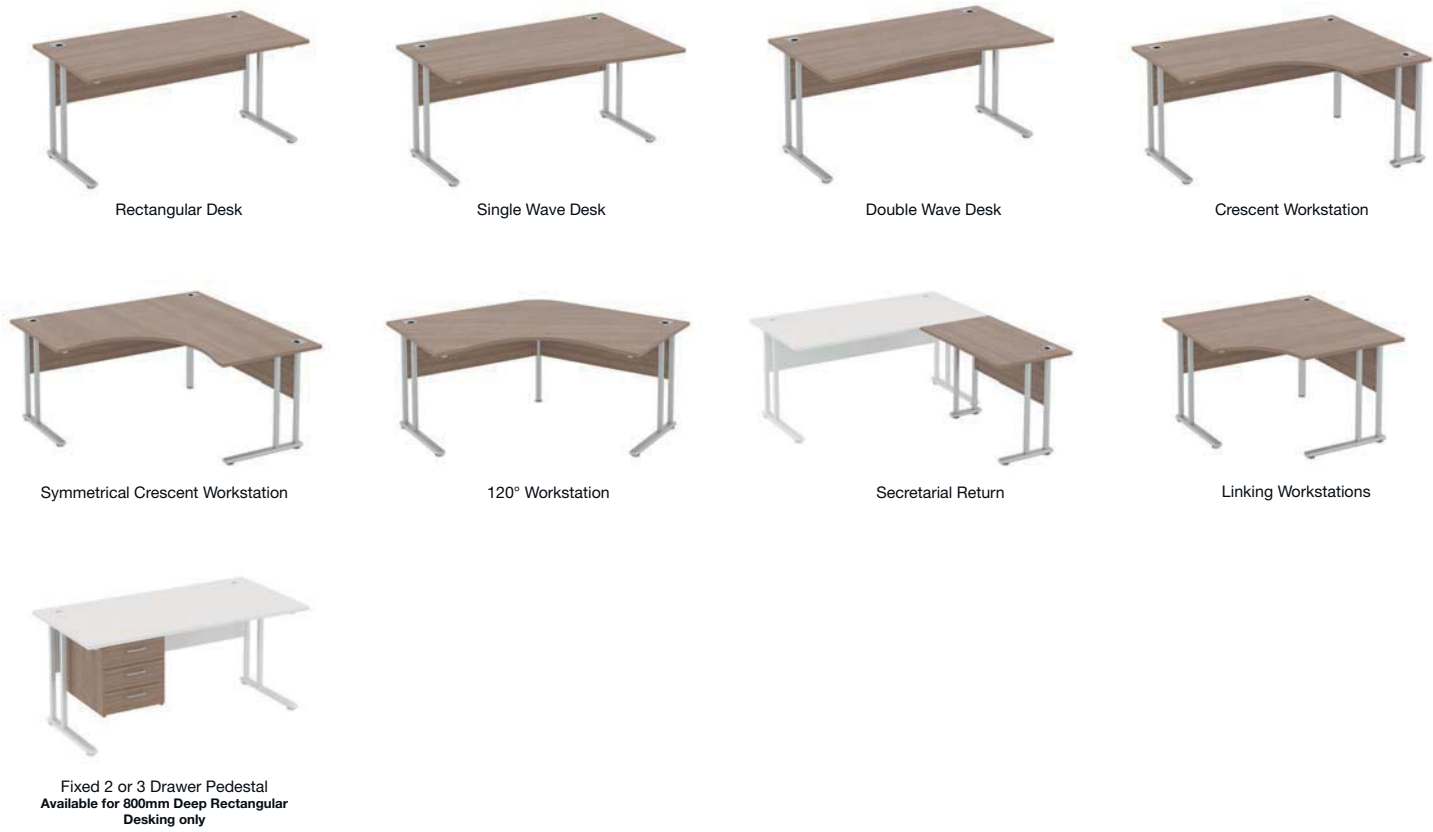

The optional Cable Riser channels all electrical and data cabling from floor level to desk top, discreetly concealing and securing them to the Flexi desk leg frame.

Flexi Cable Clip (C)

This optional three channel cable clip allows Flexi desking to comply with BS6396 electrical standards. Easy clip on mount allows for retrofitting to new or existing desking.

Desking Styles & Options

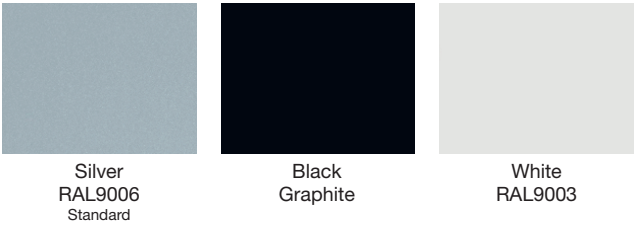

Flexi is available in a comprehensive range of desk design and sizes to cater for multiple or individual use.
