MEETING CHAIRS

www.elite-furniture.co.uk

Moda has established itself as a core product within our seating portfolio. Available in four configurations, the range has been designed to complement our task chair offering, where compatibility between work areas is required. Appearance and flexibility are the design foundations of Moda with its clean, modern lines, superb detailing and robust construction all finished in a sleek chrome frame. The contoured back and seat support the body, providing excellent comfort for prolonged periods of sitting. Moda is an excellent choice for meeting and visitor chairs.
