MULTI-PURPOSE SEATING

# Vice Versa

## MULTI-PURPOSE SEATING

Designed by Alberto Basaglia and Natalia Rota Nodari. It is assembled without screws and features a patented interlocking system that keeps costs to a minimum and facilitates disposal at the end of life. Plastic chairs are stackable up to 20 chairs high when stacked on the floor and upholstered chairs are stackable up to 15 chairs high when stacked on the floor.

Please refer to the price and specification guide for all available options.
