BENCH TABLES

[www.elite-furniture.co.uk](http://www.elite-furniture.co.uk)

Cubeform Table and Bench seating offers additional choice and flexibility to enhance the agility of the product range. Tables are available in 1600mm, 1400mm and 1200mm wide with the option of 600mm or 800mm deep. The design permits the seating bench to be discretely stowed under the worksurface. Bench seating can be specified with either an MFC seat or an upholstered padded option for additional comfort and softening. The foam used to produce the seat pads is 100% recyclable and manufactured with hypo-allergenic and bug resistant materials. In addition, the foams specification offers high resilience to combustion, therefore compliant with Crib 5 regulations.

Please refer to the price and specification guide for all available options and finishes.

### Product Codes and Dimensions

#### Cubeform Rectangular Bench

CF/RB16/8: 1600w x 800d x 740h

CF/RB14/8: 1400w x 800d x 740h
