Hampton

MULTI-PURPOSE SEATING

The design of Hampton presents an elegant and stylish multi-purpose chair, suitable for breakout spaces, leisure environments, meeting rooms and boardrooms.

Upholstered in your choice of fabric, the seat is offered on a four-legged wooden base or a four-star aluminium base with castors or glides. An integrated tilt mechanism is used with the four-star base to further enhance the chairs functionality and comfort.

Please refer to the price and specification guide for all available options.
