MULTI-PURPOSE SEATING

www.elite-furniture.co.uk

The striking design of Leola delivers a versatile, multifunctional chair. It's versatility is compounded by the many options available to the user including various frame types, arms, backs, seats and upholstery finishes. Functionally, the chair is an excellent performer stacking four units high from the floor, eight units high from a trolley and boasting additional extras such as attachable writing tablets and linking devices.

Please refer to the price and specification guide for all available options.
