Merge

TASK & MEETING CHAIRS

Merge's modern style and sophisticated engineering adds a contemporary essence to the workplace. The breathable, height adjustable, 3D knitted mesh back has been designed to provide effective support and comfort for all users. Coupled with a self-weighting mechanism and sliding seat, ensures that correct posture is achieved and maintained throughout the day. Merge has a consistent design across the range of task, draughtsman and cantilever meeting chairs making it perfect for various applications.

Please refer to the price and specification guide for all available options.
