Mix

MESH TASK & MEETING CHAIRS

The Mix task chair offers clean lines and simple aesthetics at the very heart of its design. A breathable, height adjustable mesh back and lumbar support delivers supreme comfort whilst the synchronised, self-weighting mechanism responds to the user's bodyweight and automatically adjusts the tension of the back tilt. All of this ensures optimal balance and posture for the user. With the choice of a white or black frame and a choice of 27 mesh finishes, it offers maximum personalisation. In summary, Mix is a superior, versatile and ergonomic task chair at an affordable price.

Please refer to the price and specification guide for all available options.
