COFFEE TABLES

Alongside the ranges in our seating portfolio, Oxford & Cambridge were designed to provide a coffee table that complemented those with wooden frames. Available as a 1100mm rectangular top with rounded corners or a 600mm circular table, they can be colour matched to other products in our seating portfolio with the choice of Beech, Walnut, Espresso, Wenge, Black or White or available with an MFC top.

Please refer to the price and specification guide for all available options.
