Team Plus Grande

OPERATOR & MEETING CHAIRS

An extension of the Team Plus family, Team Plus Grande incorporates a larger form for the comfort of all users. A robust 2-lever mechanism is supplied as standard with the functionality to adjust the height of the seat and the angle of the backrest. The angle of the seat can be adjusted when specifying one of the two, optional, 3-lever mechanisms available, with the heavy-duty version delivering a compliant solution for use up to 24 hours a day.

Further options that can be specified to enhance the chairs ergonomic performance are height adjustable, foldaway and fixed height arms, pump-up lumbar and a seat slide.

Please refer to the price and specification guide for all available options.
