Team Plus Mesh

OPERATOR & MEETING CHAIRS

Designed for simplicity and ease of use, Team Plus Mesh represents a modern offering on a traditional operator chair. The naturally flexible and breathable mesh back can be adjusted to the perfect height and the simple, yet robust two-lever mechanism features a clever anti-kick locking system ensuring stability throughout its range of movements. Distinctive styling, pure functionality and competitive pricing make this a sensible choice for any office or workplace environment.

Please refer to the price and specification guide for all available options.
