Zen

MULTI-PURPOSE SEATING

Designed by Paolo Lucidi and Luca Pevere, Zen is adaptable with eight vibrant colour options and three base variations including a chrome four-legged and sled frame option. With its fun, figure embracing shell, it delivers unique style to community areas, meeting rooms, bars and bistros. For further customisation of the chair, an upholstered seat pad is available. For transient spaces, a trolley is available for moving stacked chairs.

Please refer to the price and specification guide for all available options.
