

LATEST NEWS: Elite supporting the Riverside Community

On 13th October 2023, Elite were privileged to be invited along to Riverside's celebration event that marked the arrival of the school's new accessible minibus.

Back in 2022, we heard of the school's appeal for support that would help fund the purchase of a new wheelchair accessible minibus, to allow pupils at this exceptional school to be able to travel to activities out of school.

Elite were happy to make a substantial monetary donation to kick start their fundraising initiatives. In June 2023, after more than 12 months of further fundraising, the school were able to complete the purchase of their specialised minibus that featured a tail lift for wheelchair access so that all students could travel together.

As a former student of the school and now an employee at Elite, Madison Hull attended the event to represent our support. Members of the schools teaching staff were delighted to see Madison, after she graduated in 2016 and she was honoured to be asked to cut the ribbon, marking the official launch of the minibus.

About Riverside.

Riverside Community School support children aged 4 to 18 years who have a wide variety of learning difficulties, autistic spectrum conditions and medical or sensory impairments that present a barrier to their learning. Their setting features welcoming classrooms, a Hydrotherapy pool, a sports hall, gym, sensory room, library and several small group rooms.
